

# Your education needs, our expertise

Useful when setting up a new class, day-care or installation, our list of **Turnkeys** contains material designed to meet the needs of children, teachers and educators alike. Naturally, the products selected are adapted to the children and the programs, and offer different types of grouping: by workshop, in groups, in pairs, and individual. Our education specialists handpick products following a thorough process. Remember that this list of suggestions can be tailored to your specific requirements.
