

# Celtic Jewel

## Description of Technique

1. Apply double-sided adhesive tape to the entire surface of a piece of thick cardboard.
2. Using butcher's cord, create patterns on the cardboard.
3. Cover with a sheet of engraving aluminium paper and fold the excess foil behind the piece of cardboard.
4. Using a chisel, rub the surface in order to reveal patterns.
5. Apply a coat of India ink and wipe off.
6. Highlight with permanent markers.
