

# Etruscan Amphora & Vase

## Description of Technique

1. Cover an inflated balloon with papier-mâché and let dry.
2. Make a few tests by piling various plastic recipients and the balloon on top of each other.
3. Decorate with various elements such as tubes, cardboard plates and Styrofoam balls.
4. Cover the entire surface in masking tape.
5. Apply an even coat of tempera in the colour of your choice and let dry.
6. Decorate with tempera.
