

Eraser Printing

Description of Technique

1. Using a lino cutter, engrave each of the 6 sides of an eraser. Create figurative and/or decorative patterns.
2. Using a paint roller, spread a fine and even coat of tempera on a large tray.
3. Dab one of the sides of the eraser in tempera and print on the paper support.
4. Repeat steps with the other sides of the eraser to create a mosaic.

Materials	BB Product Code
Lino handle	1161876
Lino cutters, pack of 12	1160324
Eraser	3180643
Plastic trays, pack of 3	1141639
