

# Secret Messages in Colour

## Description of Technique

1. Choose a short text of your liking, or write one.
2. Draw guide lines on the cardboard.
3. Copy the text on the cardboard.
4. With a black permanent marker, draw the contours of the text by closing the gaps between letters.
5. Choose two of the three primary colours, create a complementary colour with the two primary colours, and add white to part of the three colours, for a total of 6 colours.
6. Colour in your work.
7. Redraw the contours of the letters with a permanent marker.
