

Musical Instruments (TAM-TAM)

Description of Technique

1. Cut two balloons about 1/3 from the mouth end.
2. Slip the balloons onto the wide part of the cardboard spools.
3. With masking tape, attach the balloon to the spool.
4. Place the two spools side by side and tape them together with masking tape.
5. Decorate your instrument with tempera and/or design paper.
6. Slip a wooden bead onto the end of the dowel to make a wand.
