

Decorative Frame

Description of Technique

1. Using Crayola white glue, draw or glue various decorative objects (e.g.: buttons, pieces of wood or cardboard, Bordettes, etc.).
2. Let the glue dry 4 to 6 hours.
3. Once the glue has dried, apply an even coat of black acrylic paint on the whole frame.
4. Let the acrylic dry for about 45 minutes.
5. Apply metallic acrylic paint to create an aged metal look.
