

Treasure Maps

Description of Technique

1. Rip a narrow strip on each side of a sheet of cartridge paper.
2. Firmly crumble the paper to make a ball.
3. Thoroughly moisten the paper with a sponge or a brush.
4. Let dry.
5. With a brown water marker, draw your treasure map.
6. With a wet fine brush, you can create different shades over the fresh marker drawings.
