

Silhouette Tree

Description of Technique

Preparation

Cut black construction paper into 23 x 33 cm pieces.

1. Using tempera blocks, paint a landscape on a sheet of white paper.
2. Paint the top half of the page in shades of blue, then the bottom half of the page in shades of green.
3. Let dry.
4. Draw a vertical line in the middle of the page to represent the tree trunk.
5. Draw two diagonal lines on each side of the vertical line for branches.
6. Cut on the lines you have drawn in order to make four pieces,
7. Reposition the pieces on the black paper to create a landscape.
8. Slide the pieces over to the edges of the page.
9. Glue the pieces in place using a glue stick.
