Description of Technique

Preparation

Prepare one or more boxes of oil warm-colored pastels. Do the same for the cold colors.

1. Using a pencil, draw a pattern on a sheet of white paper.
2. Without paying attention to the drawing, draw three vertical lines and three horizontal lines with a pencil to make a crisscross pattern.
3. Redraw the pattern with a black marker.
4. Fill in the pattern using warm-colored oil pastels (fire).
5. Fill in the background using cold-colored oil pastels (water).
