

Color Ring

Description of Technique

1. Pick two or three primary colors.
2. Draw three patterns side by side on a sheet of cartridge paper.
3. Fill in the first pattern using a primary color.
4. With the second primary color, paint the third pattern at the opposite end of the paper.
5. Mix together the two primary colors in equal parts and paint the pattern in the middle with this new color.
6. Let dry. Paint the background with the third (unused) primary color.
7. Let dry.
8. Redraw the patterns with a black marker for sharpness.
