

In the Name of Insects

Description of Technique

1. With a lead pencil, draw a line down the middle of a large piece of cardboard lengthwise.
2. Tie three lead pencils together with elastic bands, so that they are side by side. Slide the middle pencil 1 cm toward the back so that the tip sticks out.
3. On the previously drawn line, write your name with the bunch of pencils. This tool allows you to write in bold face. Redraw with a marker.
4. Fold on the centre line and cup on the line drawn with the marker. Unfold and glue the pattern on a different coloured cardboard.
