

Flower Arrangement

Description of Technique

1. Apply tempera freely with a paintbrush on the entire sheet of cartridge paper to obtain a multi-coloured surface. Let dry.
2. Using a round bristle brush, draw various flower and leaf patterns (about 6 patterns for a sheet of 30.5 x 45.7cm and about 10 people for each bouquet).
3. Assign one person per team to make a vase instead of flowers on their multi-coloured sheet of paper.
4. Cut out the patterns.
5. First, glue the vase onto a large cardboard. Participants then take turns placing their flowers and leaves.

Materials	BB Product Code
30.5x 45.7cm cartridge paper	1352806
Tray of tempera blocks (6)	1253558
Brush # 855-14	1428705
Round bristle brush # 195-10	1427905
Glue stick, 40g	1130442
