

Autumn Landscape

Description of Technique

1. On a sheet of construction paper placed horizontally, use black tempera to draw 4 or 5 leafless trees.
2. Let dry.
3. Prepare an assortment of colours on trays. Using a sponge, participants take turns applying colours one at a time adding layers on the tree branches and on the ground. Make sure the tree trunks show through.
4. Start with the darkest colour and finish with the lightest.
5. Fall assortment: brown, red, orange, and yellow
6. Spring assortment: dark, medium and light green, and yellow
7. You will need to prepare mixes separately.

Materials

Construction paper 30x45cm
