

# Paper Quilt

## Description of Technique

1. Cut 15 x 15cm pieces of cartridge paper.
2. Soak one of the squares in a pan of water for a few seconds then place it on the table.
3. Rip pieces of bleeding tissue paper and place them on the entire surface of the sheet of wet paper.
4. With a brush, add a dab of water on the tissue paper.
5. Let dry then remove the tissue paper.
6. On another piece of cartridge paper, draw patterns using oil pastels and repeat the steps above.
7. Assemble the decorated pieces of paper to create a large colourful quilt
